*The Art of Charlie Chan Hock Chye* is a biography showcasing the life and work of Chan Hock Chye, a pioneering but largely forgotten comic artist in Singapore. With a career spanning more than five decades, from pre-independence Singapore through its three Prime Ministers, Chan's work reflects the changing political and economic environment in Singapore. Containing Chan's original illustrations, paintings and sketches, this is a groundbreaking work by Sonny Liew, a labour of love aimed at recapturing the portrait of an artist, whose deep passion for comics and country ought to have a place in our history books.

## ABOUT THE CREATOR

Sonny Liew is a comic artist, painter and illustrator whose work includes titles for DC Vertigo, Marvel Comics, Image Comics and First Second Books. He has received Eisner nominations for his art on *Wonderland* (Disney), as well as for spearheading *Liquid City* (Image Comics), a multi-volume comics anthology featuring creators from Southeast Asia. His *Malinky Robot* series was a Xeric grant recipient and winner of the Best Science Fiction Comic Album Award at the Utopiales SF Festival in Nantes (2009). Liew's paintings have been exhibited at the La Luz de Jesus Gallery, Black Earth Museum, Mulan Gallery and the Museum of Contemporary Chinese Art. He received the Singapore National Arts Council's Young Artist Award in 2010. He lives in Singapore, where he sleeps with the fishes.

## ABOUT THE PUBLISHER

An independent publisher based in Singapore, Epigram Books began as a division of the award-winning design firm, Epigram, but registered as a separate entity in July 2011 in order to strengthen its focus on championing local writing. Epigram Books publishes all manner of fiction—novels, short stories, plays, children's books and poetry. We also reflect Singapore's mad obsession with food by publishing both recipe books and food guides. In 2012, Epigram Books started the Wee Editions imprint to support local artists and photographers through a unique series of compact coffee table books.
