- Work with our faculty in small groups to develop your craft
- Register for a professional critique to get individual advice on your projects
- Meet fellow members and potential critique partners
- Enter some friendly contests and get your work noticed
- Join us for our Children's Literature Cocktail Party and Illustrators' Gallery

Optional activities include a Thursday afternoon meet-up and a peer-critique brunch on Sunday.

Both are for writers and illustrators! **Registration begins January 24th.** Conference details will be revealed beginning New Year's Day at: [www.scbwieurocon.blogspot.com](http://www.scbwieurocon.blogspot.com)

**Spend a creative weekend in Paris and meet with US and UK editors, agents and art directors.**  
French publishers & SCBWI PAL members will also be joining us.
